<b>Products classified as In-vitro diagnostic medical devices that require Import approvals</b>	4
<b>Products classified as medical devices that require Import approvals</b>	4
<b>Products that require non- jurisdiction statement</b>	5

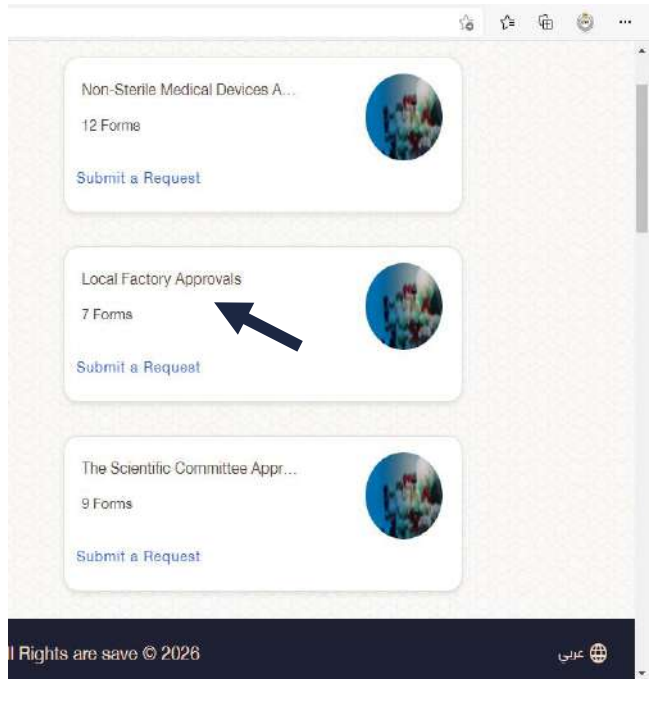

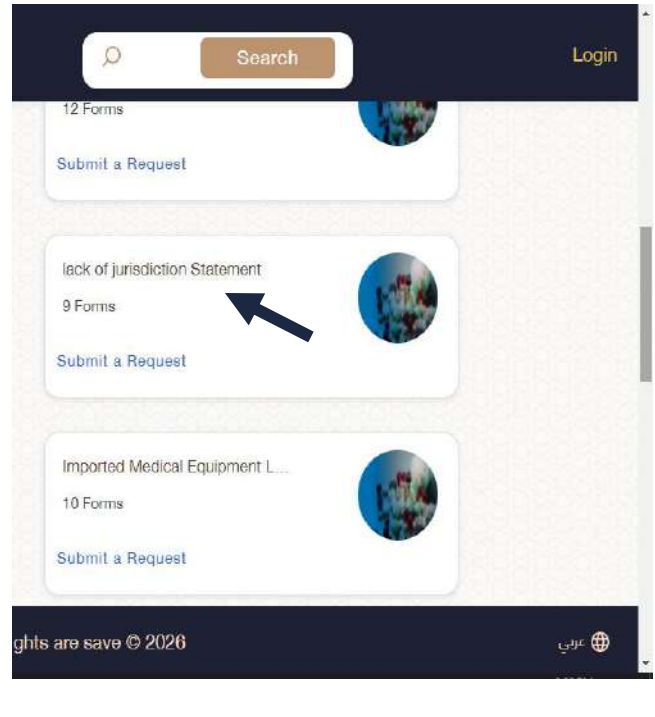

**Scope of application:**

Requests of pharmaceutical products' factories that requires Import approval or Non-Jurisdiction statement from Central Administration of Medical Devices (CAMD)

**Measures to be taken:**

Requests to be submitted as per the product required to be imported via platform of medical devices, MeDevice, on the following link:

<https://medevice.edaegypt.gov.eg/>

Local factories approval link	Non-jurisdiction statement link
	

**Products classified as In-vitro diagnostic medical devices that require Import approvals:**

Item Name
Quality control kit for culture media (microorganism)
Microorganism differentiation and identification device kit
Automated differential cell counter and its spare parts
Chemistry Analyzer and CLIA Analyzer and its spare parts
Electrolyte Analyzer and its spare parts
Culture Media (IVD and Non)
Research Use only Kits
Some IVD Kits used for identification of certain types of bacteria

**Products classified as medical devices that require Import approvals:**

Item Name
Medical sterilizer

**N.B.:**

**In case of Importing IVD or MD product not mentioned in the above tables, Inquiries to be received by contacting General administration of market authorization on landline no.: 02-25354100 EXT 1507**

**Products that require Non-Jurisdiction statement:**

Item Name
<b>Particle counter and its spare parts</b>
<b>HPLC non-clinical use and its spare parts</b>
<b>Laboratory incubator and its spare parts</b>
<b>Environment pathological agent device (Hygiene monitoring devices and its swabs).</b>
<b>Autoclave and its spare parts</b>
<b>Oven and its spare parts</b>
<b>Laminar Air Flow and its spare parts</b>
<b>Biological Safety Unit and its spare parts</b>
<b>Glass wares and plastic wares used in laboratories (Media Plates)</b>
<b>Biological indicators</b>
<b>Industrial safety gloves</b>
<b>Sterilizers for lab use</b>
