About the Diploma

The objective of the professional diploma in cosmetics formulation and entrepreneurship is to provide pharmacists, chemists and other individuals interested in cosmetic production with the knowledge and skills necessary to successfully start and manage their own cosmetics startups. In addition, this professional diploma provides the best resources to prepare, register and launch the product in the Egyptian market. The diploma offers a thorough guide to cosmetology and a roadmap to becoming a professional cosmetics formulator and entrepreneur.

Who Should Attend

This diploma is for individuals with pharmacy, chemistry or science-related backgrounds, as well as those interested in cosmetic production or seeking to enter the cosmetics industry.

Diploma Requirements

To complete the requirements of the professional diploma in cosmetics formulation and entrepreneurship, the applicant must successfully complete the following three modules:

- Chemistry: fundamentals of cosmetics, products formulation and hands-on laboratory practice (at the Department of Chemistry, AUC)
- Cosmetics entrepreneurship (at AUC)
- Cosmetics products training: from laboratories to customer (at the Egyptian Drug Authority reference labs, EDA)

The applicant must also present a graduation project upon completing the three modules. Each module requires 21 contact hours. The applicant will receive a certificate upon successful completion of the diploma.

Registration Fee

The registration fee for the diploma is EGP 24,900 for Egyptians and EGP 49,800 for non-Egyptians. The fees can be paid in cash or by check payable to AUC. Nomination letters from companies are accepted. The applicant may use valU to pay for their course tuition at a discounted interest rate in affordable installments (6 to 12 months).

Venue

The lectures and laboratories will take place at:

AUC Tahrir Square, 113 Kasr El Aini St., P.O. Box 2511, Cairo 11511, Egypt.

AUC New Cairo, AUC Avenue, P.O. Box 74, New Cairo 11835, Egypt.

Egyptian Drug Authority (EDA), 51 Ministry of Agriculture, Al-Agouza District, Giza, Egypt.
