

Egyptian Drug Authority

EDA Chairman Decree No. 868 for the year 2025

Chairman of Egyptian Drug Authority,

After reviewing:

- Law No. 127 of 1955 regarding the practice of the pharmacy profession and its amendments;
- The Egyptian Drug Authority Law promulgated by Law No. 151 of 2019 and its executive regulations;
- The public interest, the proper conduct of work, and its regularity;

Decides

(Article One)

The provisions of the regulatory guideline attached to this decree shall be applied regarding the rules, procedures, and requirements for practicing the activity of compounding of pharmacopeial pharmaceutical products.

Every pharmaceutical establishment, whether it is a public or private pharmacy or a pharmaceutical products factory, that practice in the activity of compounding pharmaceutical pharmacopeial products referred to in the first paragraph of this Article, shall comply with all the rules, procedures, and requirements stated in the attached guideline.

(Article Two)

This decree and the accompanying regulatory guideline shall be published in the Official Gazette, and shall be applied on the day following the date of publication.

Dr.Ali El-Ghamrawy
Chairman of the Egyptian Drug Authority
