

Egyptian Drug Authority
Authority Presidency

Chairman Decree No. (88) of 2022 Regarding the Issuance of Import permit approvals for Medical Devices

Chairman of Egyptian Drug Authority:

Having perused:

- Law on Pharmacy Profession Practice No. (127) of 1955 and its amendments;
- Law on Establishing the Egyptian Drug Authority promulgated by Law No. (151) of 2019, and its Executive Regulation;
- Minutes of the Authority's Board of Directors' meeting held in its session on 20/07/2020;
- Based on what's submitted by the head of the central administration of medical devices;
- and in the interest of work;

**Has decided
(Article One)**

This decree shall apply to the issuance of import permit approvals for all types of medical devices as well as the production materials required for local medical devices.

(Article Two)

This decree shall apply to applications submitted from the date of its issuance for obtaining import permit approvals for medical devices of all types and the production materials required for local medical devices.

(Article Three)

The Head of the Central Administration of Medical Devices shall issue the regulatory guideline for issuing import permit approvals for all types of medical devices, within five days as from the date of the approval of this decree.

(Article Four)

The entities of importing, manufacturing or distributing medical devices shall be committed to all the technical requirements and procedures mentioned in the aforementioned regulatory guideline. These entities have a period of three months starting from the date of the issuance of this decree to regularize their conditions and they shall notify the competent department in the Egyptian Drug Authority.

(Article Five)

This decree shall come into effect from the date of its issuance and any other provisions that may contradict this decree shall be repealed.

**Chairman of
Egyptian Drug Authority**

Prof. Tamer Mohamed Essam
